Saturday 30th June

I'm in France! We left the school at 4pm and we took the bus to Portsmouth in the south of England. I sat beside Anna on the bus. We talked and read magazines. We reached Portsmouth at 6am. We took a ferry to Brittany in France. I wasn't well on the boat. I was seasick. We reached Brittany at 6pm. We are camping in St Malo – a beautiful little town. I'm in a tent with Lisa and Catherine. We went to a restaurant for dinner. I had chicken and chips and I drank apple juice. It was good. What a long journey! I'm really tired.

Good night!

Saturday 7th July

I'm in Cairinish in North Uist, staying with my grandfather and granny.

I took the ferry to Lochmaddy at 10am. I had a big breakfast on the boat – sausages, egg, bacon, black pudding and toast and I drank milk. I read a book and I listened to music on my i-Pod too.

The boat reached Lochmaddy at quarter to twelve. My grandfather was at the pier and we drove to Cairinish. We didn't do much this afternoon. I was working on the croft with my grandfather. We had dinner at 6 o'clock – meat, potatoes, carrots and apple pie with cream. Yum, yum! My granny is really good at cooking. I'm going to bed now. It's 10 o'clock. We will be going to church tomorrow. The fèis starts on Monday.

Duncan

Saturday 24th March

I'm in Canada!

We left Glasgow at half past nine in the morning. We took a plane to Nova Scotia. I watched a film on the plane and played computer games. We reached Cape Breton in Nova Scotia at 5pm. It's cold! We are staying in a hotel in Ben Eoin – a beautiful little town. They speak French and Gaelic here. We went to a restaurant and I spoke Gaelic to the waiter. I had soup and steak and chips. I was very full. Oh, I'm tired but I'm happy. I'll be skiing tomorrow. What fun!

Charles

Saturday 31 March

I'm in England.

We left Fort William at 9am and drove to England. We stopped in Glasgow and had food. I had soup and a cheese and ham sandwich. We reached Center Parcs at 4.30pm. We are staying in a lodge and it's really nice. Center Parcs is big. There's a swimming pool, restaurants, sports hall, shops and a cinema here. We weren't doing much tonight. Tomorrow, we will be swimming and playing tennis.

If you go to Cape Breton, it is easy to see the influence the Scottish people have had on the island. This can be seen in the music, dance, songs, religion, traditions/customs and also in the place names all over the island.

After more than 200 years, people in Cape Breton still speak Gaelic and go to ceilidhs and dances.

The people see themselves as Canadians but as Scottish/Scots too.

**Eacarsaich 7b**

1. Chaidh mi a ahmar-snàmh. I went to the swimming pool

**Correct answer:**

Chaidh mi dhan amar-snàmh.

**Reason:**

the swimming pool = an t-amar-snàmh. Therefore, as swimming pool has a definite article (the) before it you must use dhan (to the) to say to the swimming pool. Also amar-snàmh cannot be lenited (no h can be added after the first letter) because it begins with a vowel.

2. Thèid Dòmhnall dhan Muile. Donald will go to Mull

**Correct answer:**

Thèid Dòmhnall a Mhuile.

**Reason:**

Mull = Muile. Has no definite article so you should use a (to) to say you are going to Mull. Muile begins with the letter m, which can be lenited. Therefore the letter h must be added after the m.

3. A bheil Sine a' dol a' bhùth? Is Jane going to the shop?

**Correct answer:**

A bheil Sine a' dol dhan bhùth?

**Reason:**

the shop = a' bhùth. Therefore, the shop has a definite article and so dhan (to the) must be used.

4. Chaidh mi a an Fhraing. I went to France.

**Correct answer:**

Chaidh mi dhan Fhraing.

**Reason:**

France = an Fhraing has a definite article and therefore dhan must be used instead of a

The definite article an is no longer needed as it is included in the word dhan, therefore it is removed.

5. Chan eil Seòras a' dol dhan shtèisean. George is not going to the station.

**Correct answer:**

Chan eil Seòras a' dol dhan stèisean.

**Reason:**

dhan is used correctly because the station has a definite article. However, words beginning with st cannot be lenited and so the h should be removed.
