

Study Pack - National 5 Culture & Society

Notaichean do sgoilearan & do thidsearan

Pasgan-obrach (Cultar & Sòisealtas)

Anns a' phasgan- obrach gheibhear pìosan obrach anns na ceithir sgilean: Èisteachd, Leughadh, Sgrìobhadh agus Labhairt.

Tha na pìosan obrach stèidhichte air **Cultar** agus **Sòisealtas**, ged a dh'fhaodadh an dà cho-theacs eile (**Ionnsachadh** agus **Comas-obrach**) nochdadh gu ìre cuideachd.

Chaidh gach pìos obrach a chruthachadh airson a bhith coltach ris na chì sgoilearan ann am measaidhean agus deuchainnean N5. Mar sin, thathas an dòchas gum bi am pasgan feumail do sgoilearan agus tidsearan nuair a bhios iad ag ullachadh airson measadh/ deuchainn N5.

Study Pack (Culture and Society)

This pack contains tasks in the 4 skill areas: Listening, Reading, Writing and Talking. The main contexts covered in this pack are **Culture** and **Society**, although the other two contexts of **Learning** and **Employability** may also appear within texts, to a lesser extent.

The tasks are designed to reflect the level and style of N5 assessment and examination tasks. Therefore, pupils and teachers may find this pack useful for exam and assessment revision towards the end of the year.

Listening Transcripts

Listening passages can be found on the Ceumannan website or by clicking the links in the workpack PDF.

Advice for pupils:

You should read through and consider the questions for passages **before** listening.

You can listen to the passage as often as needed. However, in an assessment situation, you will only hear the Gaelic **three** times. So, if you want to use this as exam practice, you might limit the number of times you listen.

Listening passage 1 Monologue (Culture)

Simon is talking about how he and his friends plan to take a trip to Europe.

Nuair a dh'fhàgas mi an sgoil am-bliadhna, tha mi 'n dùil a dhol air turas dhan Roinn Eòrpa còmhla ri mo charaidean. Tha sinn airidh air beagan spòrs oir bha sinn ag obair gu cruaidh airson nan deuchainnean againn.

Bidh sinn air falbh bho thoisearch an luchair gu meadhan an Lùnastail — mu shia seachdainean uile-gu-lèir. Gheibh sinn trèana Eurostar a-null dhan Fhraing. B' fheàrr leam siubhal air an an trèan seach air a' bhàt-aiseig oir bidh an-còmhnaidh cur-na-mara orm air bàtaichean.

Thèid sinn an toiseach a Pharis airson beagan làithean agus chì sinn na seallaidhean ainmeil agus tadhlaidh sinn air na taighean-tasgaidh. Tha ùidh mhòr agam ann an Ealain agus an-ath-bhliadhna tha mi an dòchas ceum a dhèanamh ann an Eachdraidh Ealain aig Oïlthigh Ghlaschu. An dèidh beagan cultair fhaighinn ann am Paris, thèid sinn sìos gu ceann a deas na Frainge far a bheil tràighean brèagha. Bidh seachdain againn an sin a' gabhail na grèine. Tha mi gu mòr a' coimhead air adhart ri side mhath!

Thèid sinn an uair sin dhan Eadait airson cola-deug. Bidh sinn a' siubhal sìos cost an iar na dùthcha, a' stad ann am Pisa, an Ròimh agus Naples. Tha daoine ag ràdh gur e Naples an t-àite as fheàrr anns an Eadait airson piotsathan. Tha mi gu mòr a' coimhead air adhart ri dhol dhan Eadait. Bidh e math beagan Eadaitis ionnsachadh, bidh am biadh sgoinneil agus chì mi ealain ainmeil agus togalaichean eachdraidheil.

Listening passage 2

Dialogue (Culture)

Màiri Anna is being interviewed on a travel podcast. She talks about a favourite holiday.

A Mhàiri Anna, inns dhomh mu na saor-làithean a b' fheàrr a chòrd riut.

Chaidh mi dhan Ghrèig airson seachdain còmhla ri mo theaghach — mo mhàthair, mo sheanair agus mo bhràthair mòr.

Dè bha sònraichte mu dheidhinn?

B' e siud a' chiad turas a bha mi thall thairis agus a' chiad turas a bha mi air plèan cuideachd.

An do chòrd e riut a bhith air a' phléan?

Chòrd, ach an toiseach bha an t-eagal orm agus bha mo chluasan goirt airson mioniad no dhà. Bha mi nam shuidhe ri taobh na h-uinneig agus bha na seallaidhean mìorbaileach! Bha a h-uile rud a' coimhead cho beag!

Bha sinn air a' phléan fad ceithir uairean a thìde ach bha e cho spòrsail. Choimhead mi filmichean agus dh'èist mi ri ceòl. Tha cuimhn' agam air an teas nuair a dh'fhosgail doras a' phléan. Ged a ràinig sinn aig deich uairean as t-oidhche, bha e cho teth! Bha e cho neònach dhomh.

Càit an robh thu anns a' Ghrèig?

Ann an Crete. 'S e eilean mòr a th' ann le còrr is sia ceud mìle neach a' fuireach ann.

An robh sibh a' fuireach ann an taigh-òsta?

Cha robh. Bha taigh againn air màl ann am baile beag sàmhach ri taobh na mara. Bha e uabhasach snog le amar-snàmh anns a' ghàrradh.

Glè mhath. Dè rinn thu nuair a bha thu ann an Crete?

Chaidh sinn dhan tràigh, bha mi a' gabhail na grèine agus shnàmh mi anns a' mhuir, chaidh sinn a-mach gu biadh agus, an rud a b' fheàrr, aon latha chaidh sinn gu pàirc-uisge. Bha sin cho spòrsail. Bha an t-side cho math. Bha sinn ann san Dàmhair agus mar sin cha robh e ro theth dhuinn.

An do dh'ionnsaich thu beagan den chànan fhad 's a bha thu ann?

Dh'ionnsaich! Thog mi abairt no dhà. *Kaliméra* airson 'madainn mhath' agus *Efcharistó* airson 'Tapadh leat'. Ach cha b' urrainn dhomh faclan a leughadh ann an Greugais oir tha sgrìobhadh Greugach gu math diofraichte.

Dè an rud a b' fheàrr a chòrd riut mu na saor-làithean ann an Crete?

'S e ceist dhoirbh a tha sin! Tha mi a' smaoineachadh gur e an t-amar-snàmh anns a' ghàrradh a b' fheàrr a chòrd rium. Bha e fior mhath èirigh tràth sa mhadainn agus a dhol a shnàmh anns a' ghàrradh!

Am bu toigh leat a dhol air ais dhan Ghrèig uaireigin?

Bu toigh leam tilleadh dhan Ghrèig gun teagamh, ach tha mi ag iarraidh fuireach ann nas fhaide na seachdain.

Tapadh leat airson innse dhomh mu na saor-làithean agad, a Mhàiri Anna.

'S e do bheatha.
